

WEDNESDAY 14 August

1.00pm – 5.00pm	Master Classes ILT Stadium	
1.00pm – 2.45pm	Master Class #1 - Tendering to win: new trends on government tenders; and how to ace the procurement process. Nick Cowan, Plan A & Caroline Boot from NZ Procurement & Probity Services will share rare insights into the minds of tender evaluators, how to maximise AI benefits in your tender responses, and what REALLY gets your tender to the front of the line.	Master Class #3 - Infrastructure Sustainability – What Contractors need to know. John Bryant, JDB Consulting, Stephanie Pretorius, Argon and Co & Michelle Farrell, CCNZ Participants are exposed to & will be encouraged to think about: <ul style="list-style-type: none"> • Gain a better understanding of what Infrastructure Sustainability is and how this affects our industry • Understanding Infrastructure owners challenges and why this being presented in procurement policies • CCNZ’s strategic thinking currently • The tools that are currently being used and what may arrive in the future • Case studies on successful implementation and delivery of sustainable construction projects • Opportunity to share ideas, concerns and experiences amongst participants • What individuals can take away for their situations
3.15pm – 5.00pm	Master Class #2 Contract Management Gavin Shaw, Navig8 & Catherine Forrest, Society of Construction Practitioners (SCCP) & Paul Buetow, Dentons <ul style="list-style-type: none"> • A brief reminder about why we contract and why we have a standard form in NZ. • The drivers that lead to the 2023 changes – and what this means for practitioners • Contract Administration – “the act of exchanging information between two parties that made promises to each other” • Managing inevitable change – link to Variations and perhaps disputes • Managing completion/close out, some things to consider 	Master Class #4 Waste Minimisation/ Resource Recovery Workshop- A continuation on from Master Class #3 <ul style="list-style-type: none"> • A session to follow the Sustainability masterclass (not required to attend both), using and expanding on tools and ideas presented in the Sustainability masterclass, and applying them specifically to the complex waste minimisation problem of <i>soil management</i>, as well as exploring other waste streams. We are noticing a nationwide trend of lack of landfill space and lack of cleanfills, plus rising costs of carting soil long distances for disposal. <ul style="list-style-type: none"> • Join us to unpack the waste levy framework, understand what the levy could be used for and to apply sustainability and other lean construction management tools to dealing with the soil waste crisis across the supply chain. • The new CCNZ Track’r tool, to track fuel use and carbon emissions on site, will also be presented in this masterclass.

2.00pm – 5.00pm	Site Tour P&F Global Sponsored by P&F Global.
5.30pm – 7.00pm	CCNZ Southland Branch Welcome Function Sponsored by Marley ILT Stadium, Exhibition Hall

THURSDAY 15 AUGUST

7.15am	Buses start departure from hotels
7.30am	Registrations and Exhibition Area Opens
8.30am	Welcome
8.45am	Master of Ceremonies <i>Sasha McNeil</i>
8.50am	Civil Contractors New Zealand Presidential Address <i>Bailey Gair, President Civil Contractors New Zealand</i>
9.00am	Ministerial Address
9.15am	Keynote Speaker <i>Sir Ian Taylor</i> Sponsored by Aptella
10.00am	Morning Tea in Exhibition Area Sponsored by Pump & Valve
10.30am – 11.00am	CCNZ 80th History Project Peter Tritt will join us live to talk about mapping 80 years of CCNZ history. <i>Peter Tritt, Past Chief Executive of New Zealand Contractors Federation</i>
11.00am – 12.00pm	Main Plenary Sessions – Past Presidents and Prominent Members – Stories and experiences
12.00pm – 1.00pm	Lunch in the Exhibition Area Sponsored by Cable Price

EPIC School Visit 10.00am – 12.00pm
Sponsored by Waihanga Ara Rau

1.00pm – 1.45pm	Alliances: How to Succeed in High-Risk Projects. Learning from the Queenstown programme alliance <i>Edward Husband, Alliance Programme Manager</i>
1.45pm – 2.30pm	What’s going on with Water? Join a discussion on where we’re at with legislation, Local Water Done Well and where we could be heading with the new Watercare model <i>Lorraine Kendrick, President Water NZ, Dave Neru, Veolia – New Zealand & Hugh Goddard, Pipeline & Civil</i>
2.30pm – 3.00pm	Health and Safety Reform <i>Chris Alderson, CHASNZ</i>
3.00pm – 3.30pm	Afternoon tea in the Exhibition Area
3.30pm – 4.15pm	Keynote Speaker <i>Brad Olsen, Infometrics</i>
4.15pm – 4.45pm	Future of works Industry Panel Current market situation and contractors to respond <i>With a range of Contractors from different regions, large, small and medium. Panel members TBC</i>
4.45pm- 5.00pm	NZ Forward Works Viewer <i>Angus Bargh, Open Plan</i> The New Zealand Forward Works Viewer is a secure online geospatial tool that supports the planning and delivery of large infrastructure projects. It collates infrastructure data from multiple organisations (e.g., councils, utilities, developers and consultants), to help optimise and align capital projects and programmes of work (e.g., for roads, pipes, waterways, parks, power and communication networks, and large building projects and events). By providing a single source of truth about who is doing what, when and where, this nation-wide platform helps to identify potential clashes and opportunities for alignment of work to take on a dig-once approach.
5.00pm	Buses start departure back to hotels
7.00pm – 11.59pm	Brian Perry Themed Dinner Venue: Motorcycle Mecca Dress: The 1950’s Sponsored by Brian Perry Civil

FRIDAY 16 August

7.15am	Buses start departure from hotels	
7.30am – 8.30am	Registrations and Exhibition Area Opens Contractors Breakfast	
8.30am – 9.15am	Who decides how many road cones is too many? Join Greg Murphy in a discussion about road safety, legislation and collaborating to achieve safer outcomes for everyone <i>Greg Murphy</i> <i>Rachel Bowen, Worksafe & Dave Tilton, Parallaxx</i>	
9.15am - 9.30am	H & S, Change in Strategy <i>Rachel Bowen, Worksafe</i>	
9.30am – 10.30am	NZTA - Maintenance and Renewals – upcoming works What’s in it for Contractors. <i>Vanessa Browne & Andrew Clark, NZTA</i>	
10.30am – 11.00am	Morning tea in Exhibition Area Sponsored by Humes	
11.00am – 11.30am	Z People Awards Sponsored by Z Energy	
11.30pm – 12.00pm	Connexis Civil Training and Development Awards Sponsored by Connexis	
12.00pm – 1.00pm	Lunch in Exhibition Area Sponsored by Z Energy	
1.00pm – 2.15pm	<p>Critical Importance of Local Infrastructure and associated challenges Facilitated by Fraser May, Civil Contractors New Zealand What’s coming up and how do contractors see it. How do we reach more efficiencies. What technologies are coming up that can improve efficiency.</p> <p><i>Jim Sephton, GM Infrastructure Whangarei District Council</i></p>	<p> Breakout 1. Workforce Development Session 1.00pm – 2.15pm <i>Rebecca Fox, CCNZ and Sue Hawkins, Waihanga Ara Rau</i></p>

	<p><i>Siobhan Proctor, Chief Infrastructure Officer, Wellington City Council</i> <i>Erin Moogan, GM Infrastructure, Invercargill City Council</i> <i>Geoff Cooper, Acting Chief Executive Te Waihanga NZ Infrastructure Commission</i></p>
<p>2.15pm – 2.55pm</p>	<p>Why and how we can re-use Materials on site. How do the engineering standards enable reuse from client perspective Michelle Farrell, CCNZ, Maurice Fraser, Stone Strong & Chris Brockliss, GPIL Sponsored by GPIL & Stone Strong</p> <p>Case Study GPIL and Strong Stone</p> <p>Stone Strong has undertaken a couple of technically very interesting projects in Southland on the Milford Sound – Te Anau Road at Falls Creek on SH94. These were retaining structures built in a quite hostile and aggressive but beautiful Ecco-tourism environment to support the highway from wash-out / slips following storm events. Wet conditions, river management, high seismic considerations, large boulders etc....</p> <p>The Stone Strong structures featured combined mass gravity, MSE and GFRP ground anchor tied back walls using no steel in the wall system. Constructed by the Milford Road Alliance partners for this important road access into and out of Milford Sound.</p>
<p>2.55pm – 3.00pm</p>	<p>Conference Close</p>
<p>3.00pm – 3.30pm</p>	<p>Afternoon tea in Exhibition Area</p>
<p>3.30pm – 5.00pm</p>	<p>CCNZ AGM</p>
<p>5.00pm</p>	<p>Buses start departing for hotels.</p>
<p>7.00pm – 11.59pm</p>	<p>CCNZ Hirepool Construction Excellence Awards Dinner Venue: Bill Richardson Transport Museum Sponsored by Hirepool</p>
